SENATE PRESIDENT LYDA GREEN

Thursday, April 17, 2008

The Honorable Sarah Palin
Governor
State of Alaska
Juneau, Alaska

Dear Governor Palin,

Last month, you announced that you may call the Alaska Legislature into special session to review TransCanada's application for a license to build a natural gas pipeline later this year. I am formally requesting that you include in your special session proclamation two pieces of legislation, the parental notification (HB 364) and partial birth abortion (HB 301) bills.

I believe the Legislature will have adequate time to consider both bills while it is reviewing an AGIA license application.

Please feel free to contact me if you have any questions or comments regarding my request.

Sincerely,

Senator Lyda Green
Senate President
